Abdulmalek Essam Musabeh

a bachelor's degree in Computer Science, and hands-on experience in Java Development, Design Pattern, Sloyd Principles, Clean Code, and Web Development Full Stack using ASP.Net, C#, Database, Web Design(HTML, BOOTSTRAP, JS, CSS), MVC CORE VERSION 3.1, WEB API, Angular Framework, to create and implement software applications.

I enjoy being challenged and engaging with projects that require me to work outside my comfort and knowledge set, as continuing to learn new languages and development techniques are important.
